

Proudly brought to you by our team of volunteers

Our team is made up of passionate volunteers from many walks of life. We could not do this without their help, the support of our sponsors, and all the hard working event hosts around the region.

Wellington Heritage Week is organised by the Wellington Heritage Festival Trust, a charitable trust founded to engage the public with Te Whanganui-a-Tara's people, places, and stories.

Thank you all, and we look forward to seeing you at the festival!
